Example of dress code Policy language For companies that are considering a dress code policy, below is a gender-neutral language that may be helpful: ÁeÁe Casual business Attire:Áe Informal business, usually composed of trousers casual skirts and skirts, neck t-shirts, blouses and sweaters, is an appropriate outfit in all locations of the company and for most situations. In addition to the issue of federal legislation, several state laws explicitly protect transgender and transitional workers from discrimination in employment. Any employee who goes to work in clothing that their manager deems inappropriate may be asked to leave work and return suitably dressed.
